COMMENTS FROM THE

TOWN MANAGER'S OFFICE

The calcium chloride came

last Friday and since then most

of it has been applied. The

ground and dirt roads are un-

seasonably dry but there was

some moisture in the ground.

The calcium chloride will draw

moisture from the air and help

hold the dust down. There are

about sixty bags left that can

be applied in very dry places

after a rain.

The highway crew has also

done some cold patching prior

to tarring. Some streets will

need re-sweeping before the tar-

ring for the summer program

begins. The exact date for the

start of tarring has not been

determined yet but it will be

sometime early in June.

The brush spraying program

for this summer will have to be

done before the start of tarring.

The Grover Hill Road has been

sprayed for brush the last three

years and should be all right

for the next couple of years.

Most of the brush spraying will

be done on roads that lead off

from Route 25 and the Middle

Intervale Road. These areas

have not been sprayed for a

couple of years and it shows by

the amount of growth that has

accumulated there lately.

The assessing for this year

is very nearly done. The routine

work is completed and now the

rest must be done. Most of the

land transfers have been made

and the maps have been chang-

ed. The remaining work is with-

out doubt the most difficult of

all the assessing work. I am sure

that every effort will be made

to get the assessing work done

so that the tax bills can be

mailed earlier this year.

20 SECONDS WITH THE NAZARENE

Freedom is crosses in Flanders; a fort the Alamo. A man named Lincoln; a ship, The Arizona, below. It is monuments, and mottoes, and hymns and prayers.

A heritage of blood, this badge freedom wears. Freedom is a savage hatred for walls and shackles and fetters; it is a burning love of family and country and God. Freedom brings out the best in men. Today, it may be free for the taking; tomorrow, its price may be death. Freedom is laughing loud, crying long, winning big, losing all. Meekly, though, it is choice. Like God, freedom must be sought and, like God, it requires a dedication unswerving, a love undeniable, a belief unshakable. —Excerpt from Freedom is a barefoot boy, by Fred Bauer.

Dear friends,

We will soon observe Memorial Day... a day set aside for the living to honor their dead.

We believe that if a family takes a leisurely drive to the cemetery, cares for the graves of their loved ones and says a prayer, they will realize a satisfaction which will truly enrich their holiday.

Sincerely,

Edwin Lundberg
